ONE FINE EVENING IN TRANSYLVANIA

Hi! I'm **Dullnise Huxtypk**, the second oldest daughter from the **Cozby Show**! Here on my **spin-off**, I'm a freshman at **Billman College** majoring in what every good TV student should...**one liners**!

I'm **Saggie**, Dullnise's roommate and all I ever do is talk, talk, talk without **ever** saying anything of substance! If I can keep up this non-stop nonsensical chattering, I may have a good shot at entering **politics**!

You may ask why I, **Jilloser**, an ancient 27 year old, would want to room with these two at college...Well, what would you do if some TV producers offered you \$15,000 a week to do it? I'm not complaining...Unless they tell me to!

Duhwayne here and I'm the show's **luv interest**! With my obnoxious personality, I'm the guy these gals **luv to hate**!

Ah'm **Whitless**, a rich black girl from the south. Ah have **everything** money can buy...including the personality of **Blair** from **Fats of Life**!

And I'm the adult that these kids try to sneak around and fool every week! From my inspired character to Whitless', you can see why this **Cozby spin-off** is creatively...

A Deficient World!

Joe Catalano

Hi, Duhmise!
Whatcha doin'?

Thinking about my dad, played by **Bill Cozby**! Did I ever tell you this show is a spin-off from his?

Not since the last page!

Hey, gals! Our report cards have arrived! But you're gonna need these glasses to see them!

Why's that, Saggie?

Because they're **three-Ds**!

Fortunately, the instructor is letting us take a make-up exam!

Great! That's **one** thing I know a lot about! My lifelong major has been **eye liner** and **lip gloss**!

That's **not** what she meant! We better start hitting the books!

Ow! This'll really rough up our knuckles, but it'll be worth it if we can get some **A's**!

Oh, it's time for me to call my TV dad, **Bill Cozby**!

Did I ever tell you this show is a spin-off from the **Cozby Show**?

Not in the last couple of panels!

You must be slipping!

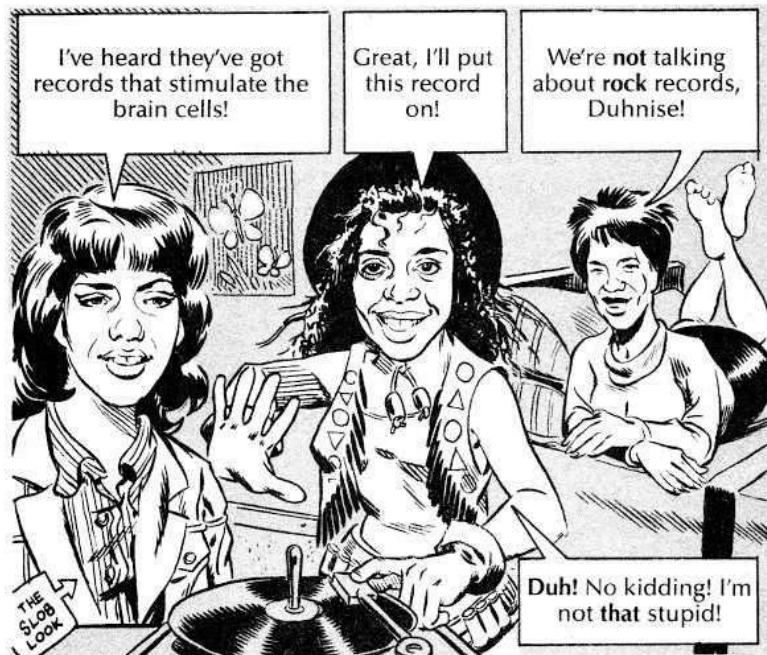

Hi, Daddy! It's **me**, Dullnise! Remember me?

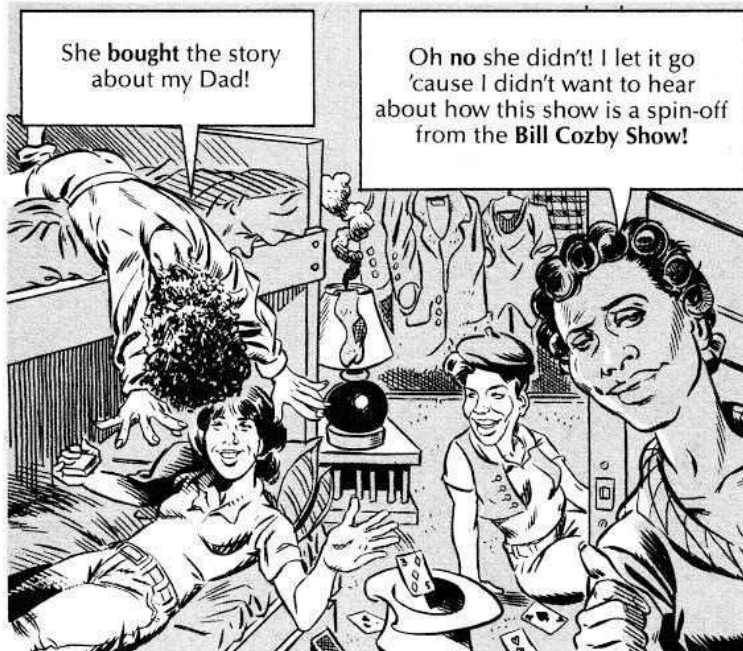

I should! You call at least **once** an episode!

That's 'cause I like to hear the sound of your voice!

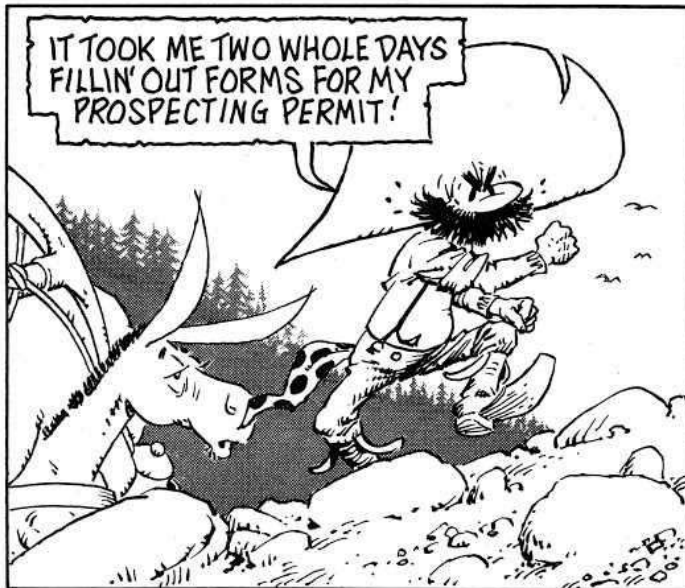

Yeah, especially a sound saying, "I'll send you some more money!"

Hello! My name is Erle Stanley Tractor! I'm a judge! And if you believe that, then you'll probably believe all the rest of the bull-twaddle that I'm about to lay on you concerning our great American legal system! I made this stuff up, but that doesn't mean it isn't true! Don't forget, I'm a judge!

See, one day I got ticketed for parking my car in a perfectly legal spot! I don't know how that little old lady got underneath my tires, but of course I was blamed for it! So I paid the fifteen-dollar fine, but that started me thinking!

What if there was a lawyer to defend poor underdogs like myself? So I went straight home and wrote my first story about this great champion! I made him very intelligent, very compassionate, very principled, very debonair, very sober...

GUILTY CLIENT

AND
BILL
WRAY
© 1988

All right!! Okay!! I admit it!! I killed her!! And Jimmy Hoffa, too!! And it was me who shot down Flight 007!! And remember the Hindenburg??

Bailiff! Free Mr. Mazin's client immediately and take that man into custody!

I don't believe it, Lt. Dragg!! Mazin did it again!!

His clients are never guilty, Mr. Bungler! I hate that guy!

I DON'T WANT TO LIVE!

I'm sick of being ordered around by you, Mother! Take that! And that and that and that!

Sonny!!

BANG BANG!
BANG BANG!
BANG BANG!

I'm innocent, I tell you! Just because forty-three people saw me do it doesn't mean a thing! Didn't you ever hear of mass hypnosis? You believe me, don't you, Mr. Mazin? Will you defend me? Huh, willya, huh?

Perry, you can't possibly mean to defend a client who's so obviously guilty! You'd be taking on the entire collected force of the whole legal establishment!! You wouldn't stand a chance!!

Hyuk hyuk hyuk! If that doesn't get him to take the case, nothing will!

Mr. Prosecutor, you are a genius! For once Mazin will lose and we'll win!

Yes, and then we can take that trip to Bermuda we've always dreamed of!

I've decided to take your case, friend. This is my personable secretary, Smella Sweet, and that growth on her neck is private investigator Paul Drip. Smella, Paul, meet Mr. George Washington.

But my name's not George Washington!

It will be when we have it legally changed!

PLEASE PAUL, NOT NOW!

Oh, I get it! That way the jury will think that I cannot tell a lie, right?

Wrong. You're going to come into court carrying a hatchet and a cherry tree and we'll plea bargain down to destruction of personal property!

Perry, in the interests of justice, Lt. Dragg and I were thinking it might be better to get the trial over with right here and now.

Just to make things easier on you, of course! So you won't have to make two trips!

I definitely want a new judge!

Perry, has anyone ever told you that you have the darkest, most sexy eyes?

Paul, you never quit, do you? Save your come-ons for the ladies! I'm a man!

NICE AFTER-SHAVE PAUL...

Hey, can't a guy even practice? And by the way, why in the world did you believe that bailiff when he said he didn't murder his mother?

My heart went out to him, Paul. The poor guy's an orphan!

YOUR CIGARETTE IS BURNING A HOLE IN MY FACE, PAUL

So in summing up the prosecution's case, you honor—

See? Told you I was a judge!

—we remind the court that the murder victim was shot to death in front of **forty-three witnesses**, all of whom have identified the defendant as the gunman. There is also the evidence of the ballistic tests, fingerprints of the defendant on the weapon, and...and...

...I'M GOING TO WIN THIS ONE!! AT LONG, LONG LAST I'M IN THE DRIVER'S SEAT!! VROOM VROOM!!

Perry? Would you care to blow him away now?

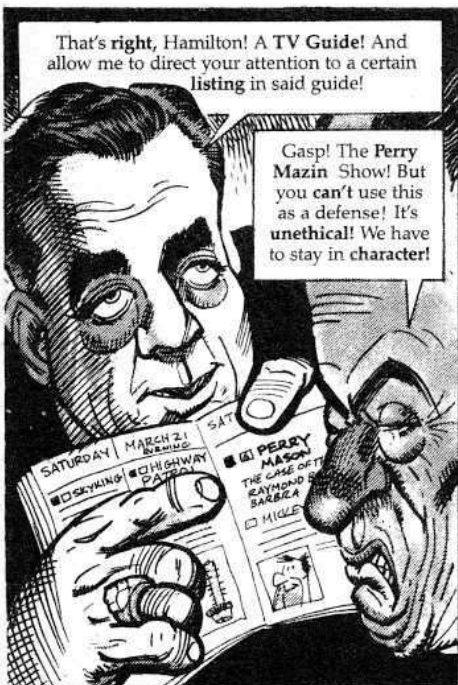

Thank you, your honor. First off, I'd like to enter this periodical into evidence as Defense Exhibit One.

A TV Guide?

That's right, Hamilton! A TV Guide! And allow me to direct your attention to a certain listing in said guide!

Gasp! The Perry Mazin Show! But you can't use this as a defense! It's unethical! We have to stay in character!

I am staying in character, Hamilton. I'm winning! Paul, would you mind tickling that woman's corpse, please?

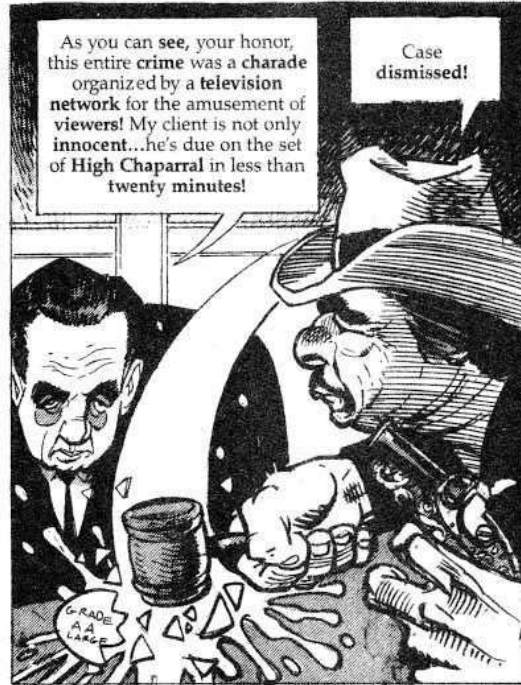

Gladly!

HAHA!! STOP!! I'M TICKLISH!!

As you can see, your honor, this entire crime was a charade organized by a television network for the amusement of viewers! My client is not only innocent...he's due on the set of High Chaparral in less than twenty minutes!

Case dismissed!

Mr. Perfect!! Well this time there's one thing you've overlooked!! THIS!!

This looks like a job for SUPERMAN!! Who, in his mild-mannered identity as klutzy prosecutor Hamilton Bungler, fights a never-ending battle for—

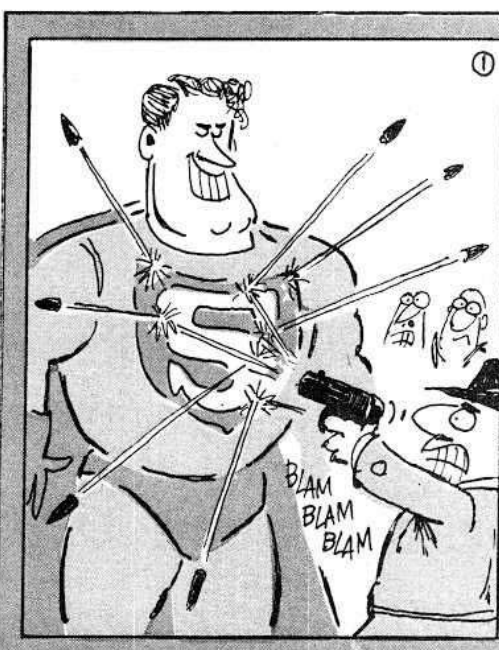

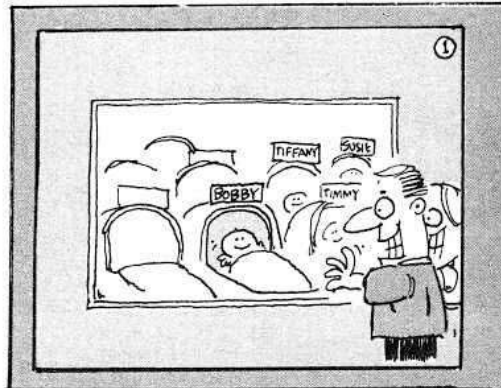

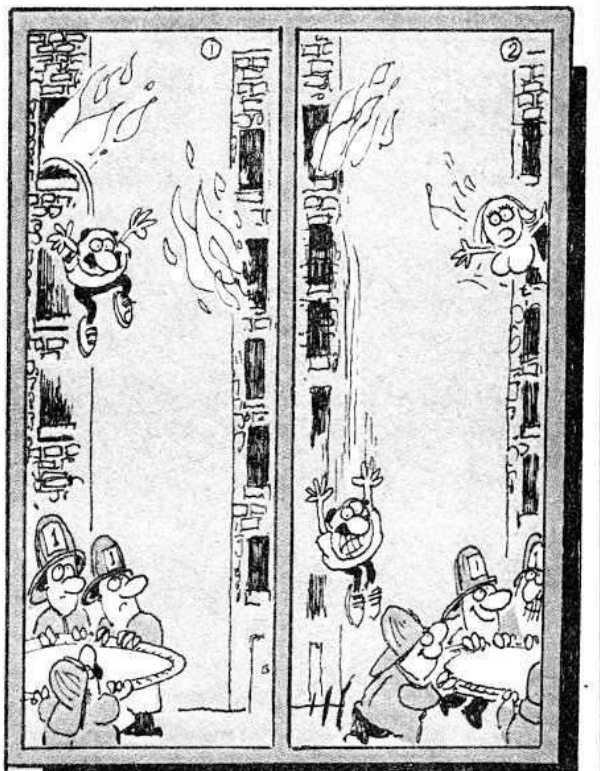

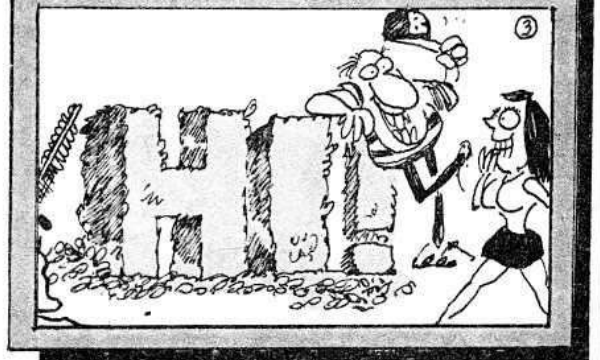

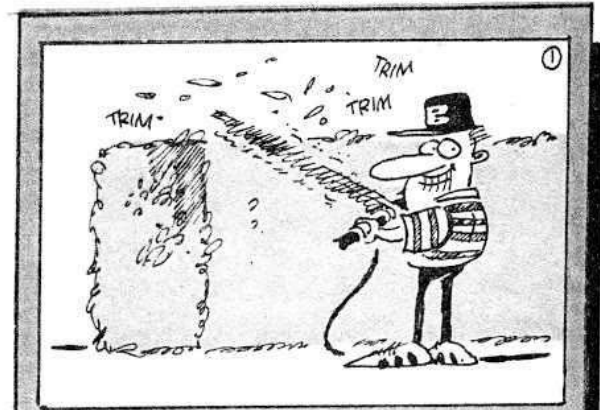

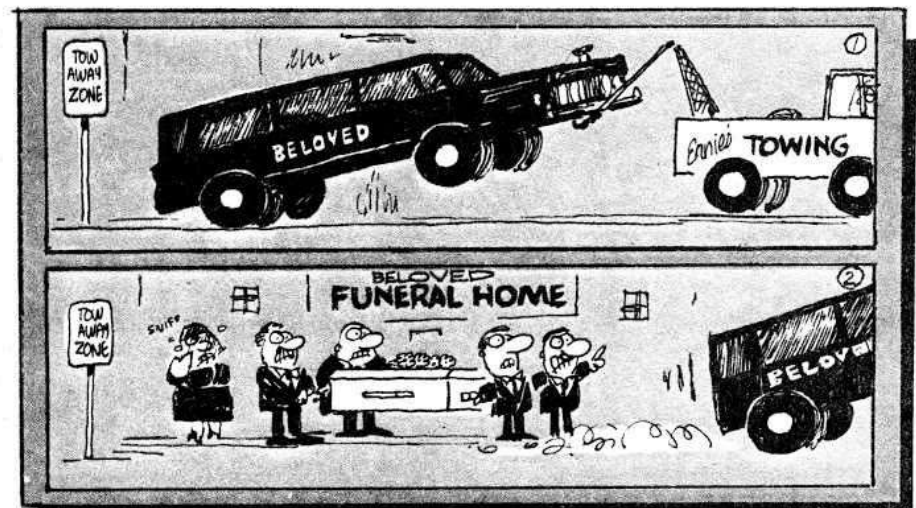

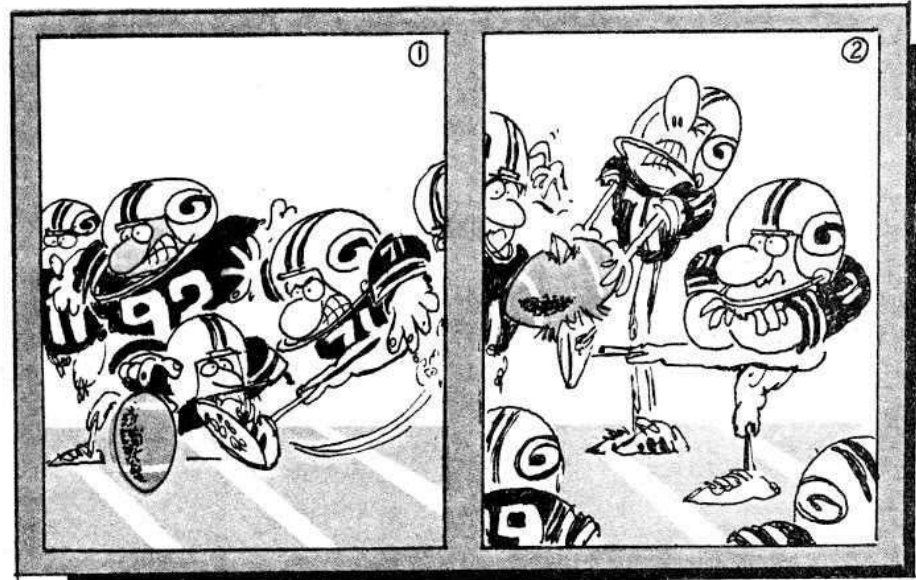

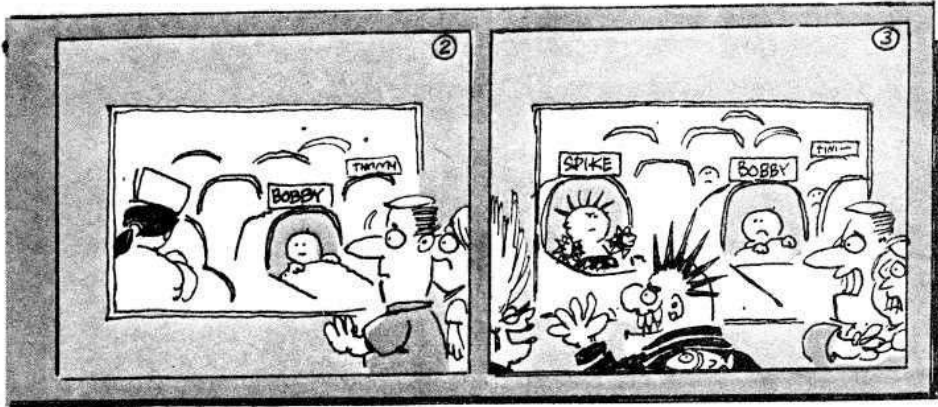

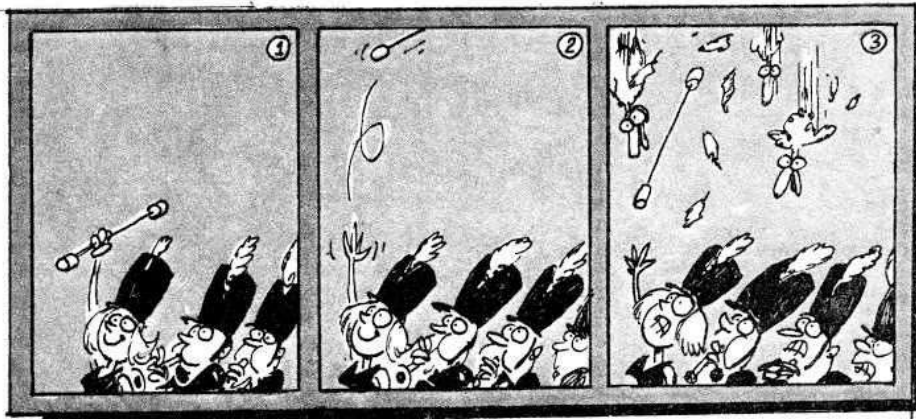

I guess part of being perfect means that I'll just never understand the bizarre foibles of ordinary human beings! Smella...bring the rubber chicken!

HOW TO FOLD YOUR UGLY ORACLE:

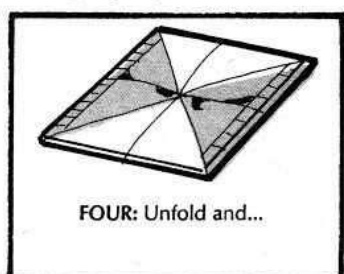

ONE: Fold back tips along line 1

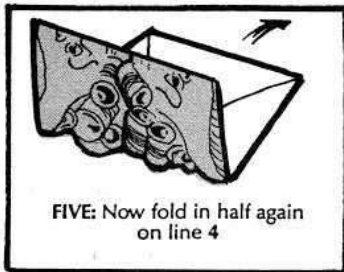

TWO: Flip over and fold in all corners to the middle along line 2

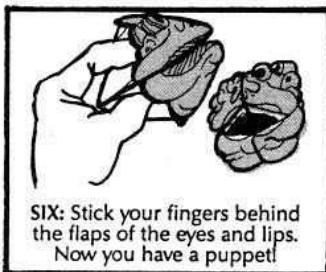

THREE: Fold in half along line 3

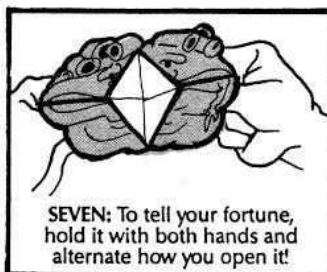

FOUR: Unfold and...

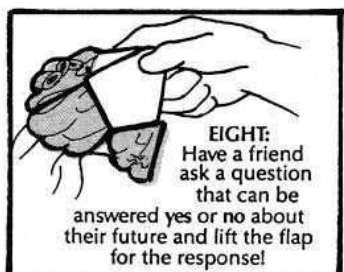

FIVE: Now fold in half again on line 4

SIX: Stick your fingers behind the flaps of the eyes and lips. Now you have a puppet!

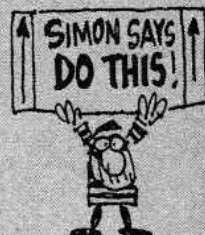

SEVEN: To tell your fortune, hold it with both hands and alternate how you open it!

EIGHT: Have a friend ask a question that can be answered yes or no about their future and lift the flap for the response!

UGLY ORACLE FACT FILE: IS MAMA MEANY REALLY MEAN?

Well, the neighborhood pit bulls are trying to have her outlawed, so mean she is! And big? She's more than big, she's humongous! She weighs herself with a Richter scale! She once wore a pair of fishnet stockings but it wasn't her idea...she was swimming in the bay and a whale boat netted her! Like all moms, she is good at telling your future, like: Don't, it'll get infected! or You'll poke your eye out! and You'll never amount to anything!! See what we mean?

Dear CRACKED,
I received CRACKED 233 in the mail and it was radical! I really liked **RoboCop-Out** and **Premediator** was fabulous. You guys are great, but I would like to see more of the **Uggy Family**, the **Cracked Crusader** and **Uggy Oracles**. Why don't you goof on some other comic heroes? The Sylvester doll is neat. I'll order it and a T-shirt if my mom will let me. I love CRACKED. I have read it for over a year and gotten a subscription. And happy 30th, dudes!

Andrew Dancer
Munday TX

Thanks, ANDREW! You might've noticed we had a lot of the **UGGLY FAMILY** last issue (including a page in [YECCH] color) as well as a **SUPER SYLVESTER/CRACKED CRUSADER** epic. **BO BADMAN's UGLY ORACLES** appears in this edition. How's that for service?

Dear CRACKED,
Why do you have only eight issues a year? Why don't you have twelve issues; one for each month?

Timmy Cash
Beesley's Point NJ

We ARE monthly during the spring and summer and bi-monthly the rest of the year. If more people bought our fall and winter issues we might go monthly. And don't forget all our great 100-page specials that come out every now and then. CRACKED COLLECTORS, EDITION 74 should still be out and features a look of 30 years of CRACKED! And also coming out soon is the much-awaited SUPER CRACKED #2!

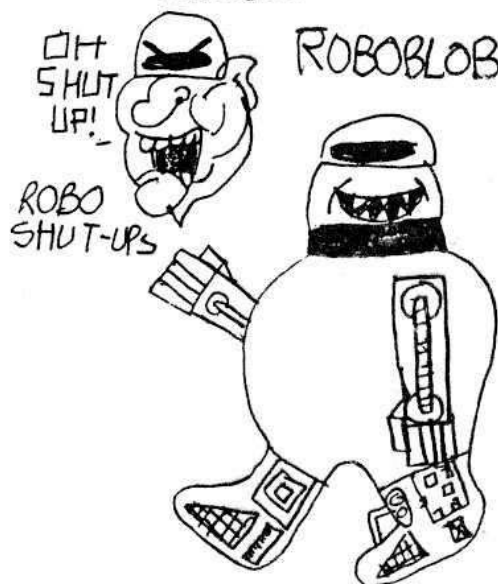

Dear CRACKED,
I live in El Salvador and I can tell you that your magazine is excellent. I buy it in a video store where it costs 20 colones (5 dollars). I have made friends from other countries through CRACKED: Yuko Kitahara from Japan and Skye Hudson from the USA. They are good persons and I want to be a CRACKED pen pal. Thanks for all. I will make your magazine famous here in El Salvador, believe it or not!

CRACKED certainly does get around the world! The CRACKED PEN PALS section isn't in this issue, so we've printed Roberto's full address if you'd like to write to him!

Dear CRACKED,
In issue 233 you did a satire of **RoboCop**, a movie about the future in law enforcement. But have you ever stopped to think about the future of humor magazines? I have! I've come up with an idea of what CRACKED will be like in the year 2088. I've enclosed a sample of what you might see in **RoboCRACKED** magazine!

Joe Blevins
Flushing MI

According to **JOE**, **ROBOCRACKED #1133** will come out in January 2088 and cost only \$19.15. Inside will be **ROBOROCKY 35** and **STAR DREK: THE 3rd GENERATION!** Presented below are some regular **ROBO-CRACKED** characters!

Dear CRACKED,
I thought 233 was (burp) funny. The **Rap Kings Interview** was the best! Like, I'm totally fresh, you know? I thought **Premediator** was pretty good, too.

Joe Bell
Sierra OR

Dear CRACKED,
I'm glad you guys came to your "cracked" senses and put the most cracked guy on TV, **Sledge Hammer** in CRACKED 234. I've watched **Sledge Hammer** since it began and if I don't see him on Thursday 8:00 PM, on ABC, I go crazy! I'm a Sledge Hammer freak and it's about time he was in CRACKED!

Dear CRACKED,
My friends Tito and Cissie got me into reading CRACKED. Now I am a complete CRACKEDaholic! I bought the 100-page **Shut Ups** book, but my teacher threw it away! The CRACKED Monster Party was cool and I liked **Frankenstein's Monster** the most!

Tommy Cook
Wahiawa HI

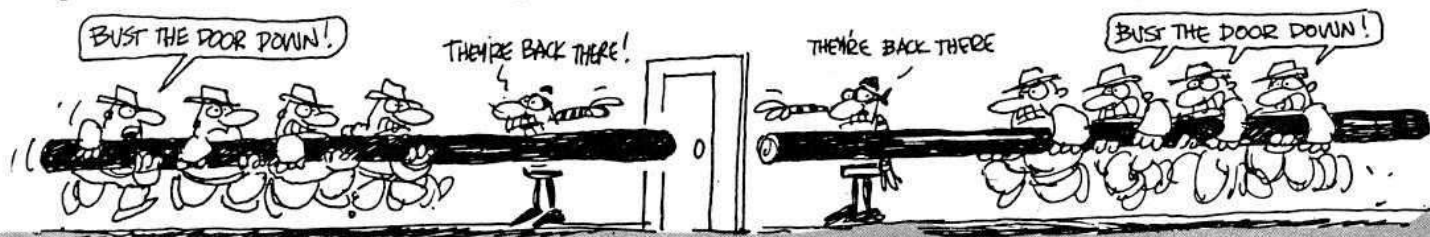

Dear CRACKED,
Congratulations! I just read the front page article in USA Today about Don Martin working for CRACKED! It's obvious he'll get better treatment now like he deserves! I also saw Don's TV commerical for the **Monster Mash** game. It was very well animated and made me wonder why a Don Martin cartoon has never been made?

A CRACKED and Don
Martin Fan,
John Orlando Topaz AZ

Is it safe to assume you're a fan of the **SLEDGE HAMMER** TV show or do you work for **ALAN** (Sledge Creator & Producer) **SPENCER's** publicity department?

Throwing away a **SHUT UP** book is shocking and anti-educational! Next thing you know they'll be saying TV isn't good for you!

How do you like Don's cover for this issue, **JOHN**? Some German animators have done a **DON MARTIN** cartoon and hopefully we'll soon see it on TV here! We'll definitely keep you posted!

Many believe World War II was prolonged needlessly because Supedupman was sentenced to a month in the stockade!

As a child, Supedupman entertained his foster parents with simple feats of strength like this one.

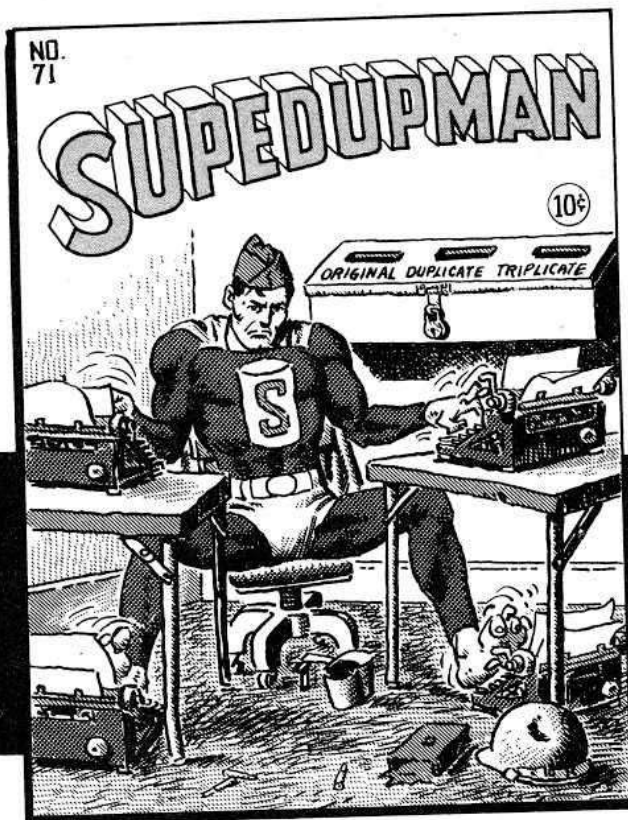

In his toughest war battle, Supedupman faced **Supernazi**, the enemy who fought for Mom's apfelstrudel an fussball!

The 1950s

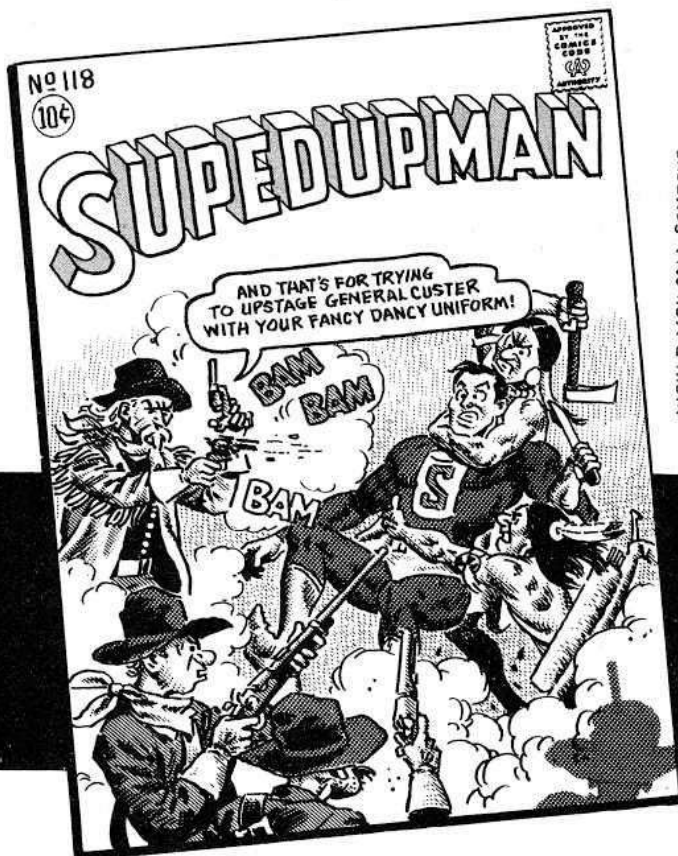

Historians blame the Korean War stalemate on a military snafu that assigned Supedupman to clerical duties instead of to combat!

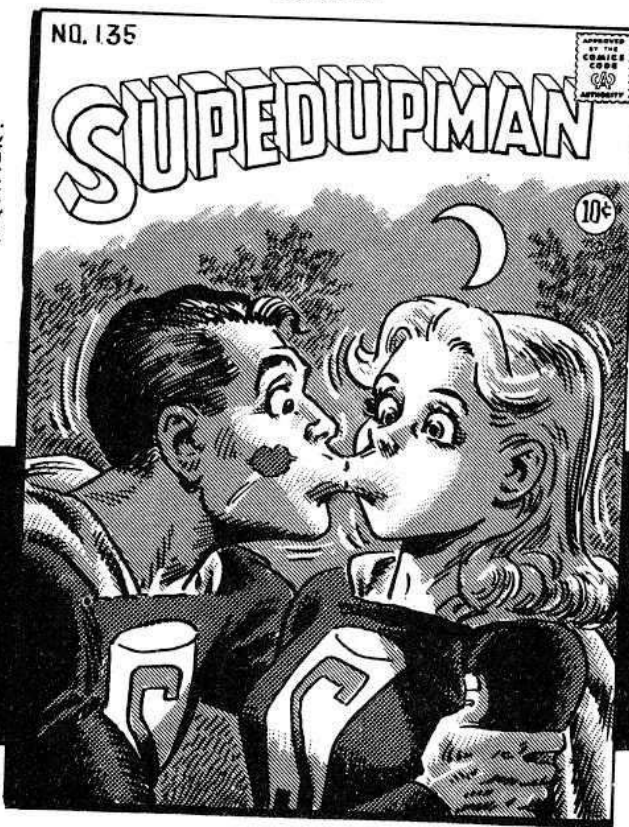

Not even his dozen Congressional Medals of Honor won in WWII spared Supedupman from the Commie witch-hunt of the 50s!

Supedupman tried to go back in time to alter the course of history...and got it from both sides!

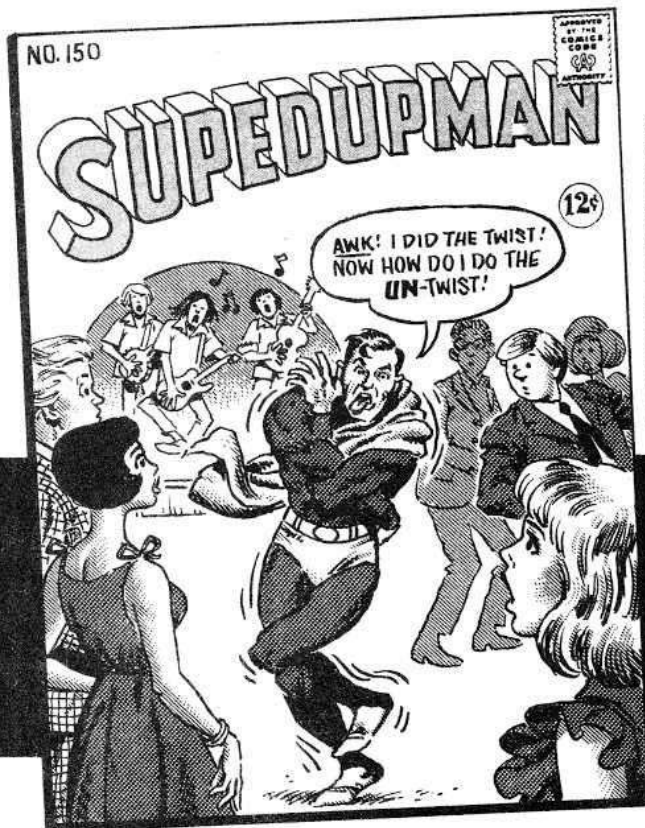

In the fifties, Supedupman met Supedupgal, a distant relative. Their powerful supersmooches made them realize they could never be kissin' cousins!

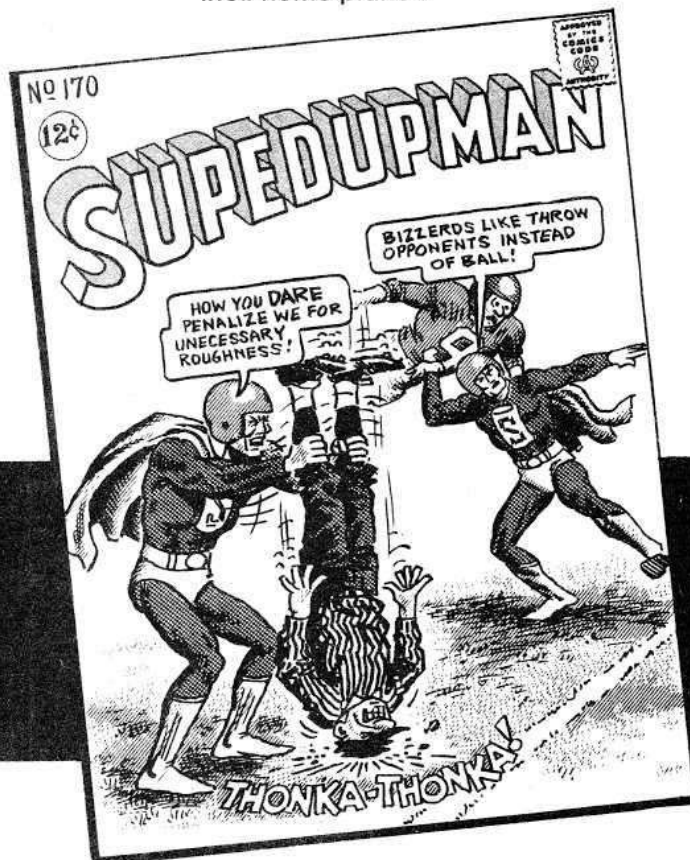

The 1960s & 1970s

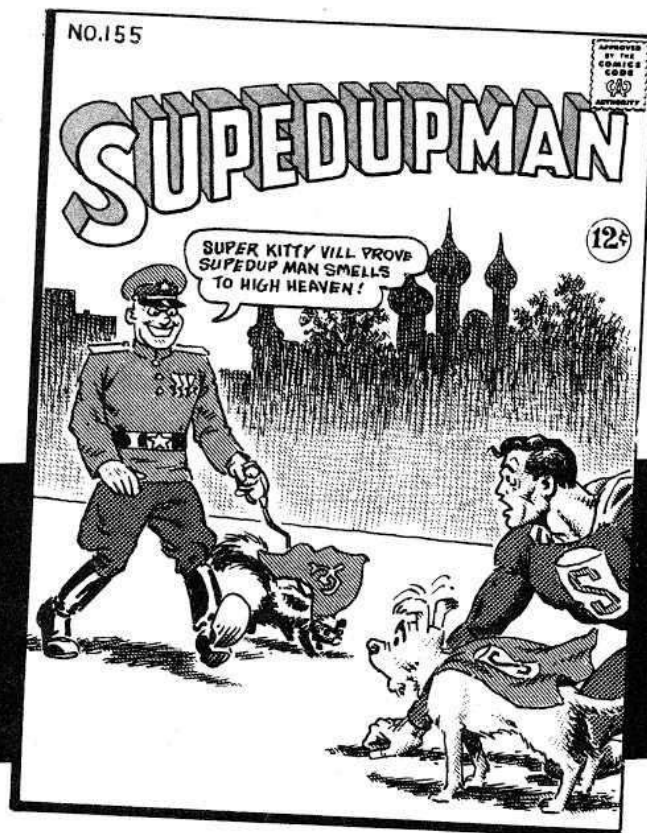

His worst injury was self-inflicted! It occurred during the Twist dance craze!

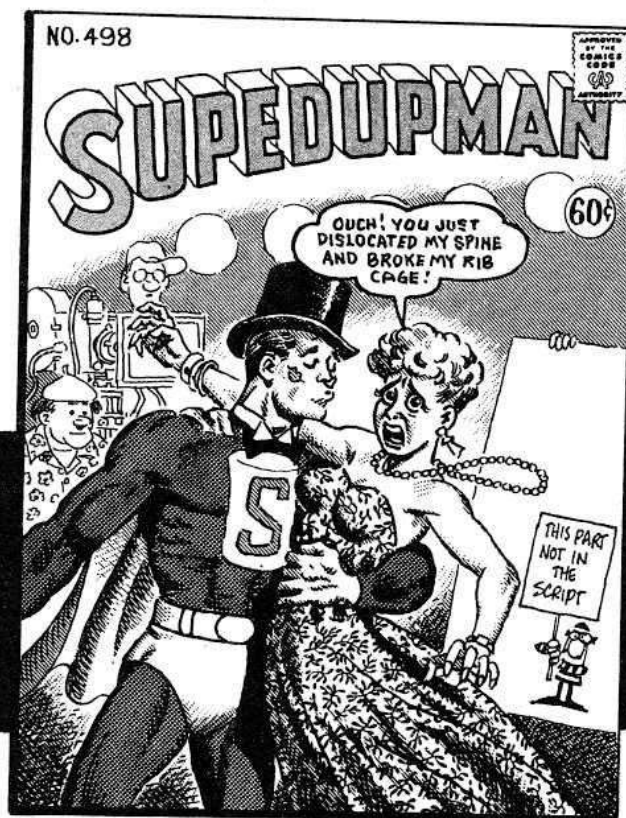

Brainless Supedupman clones called Bizzeros appeared. After winning five NFL championships they got bored and returned to their home planet!

In the 60s, Supedupman introduced many Supedupanimals! The Soviet Union countered with a super animal of their own!

In his movie debut Supedupman held up the Golden Gate Bridge...thereby winning an Oscar for Best Supporting Actor!

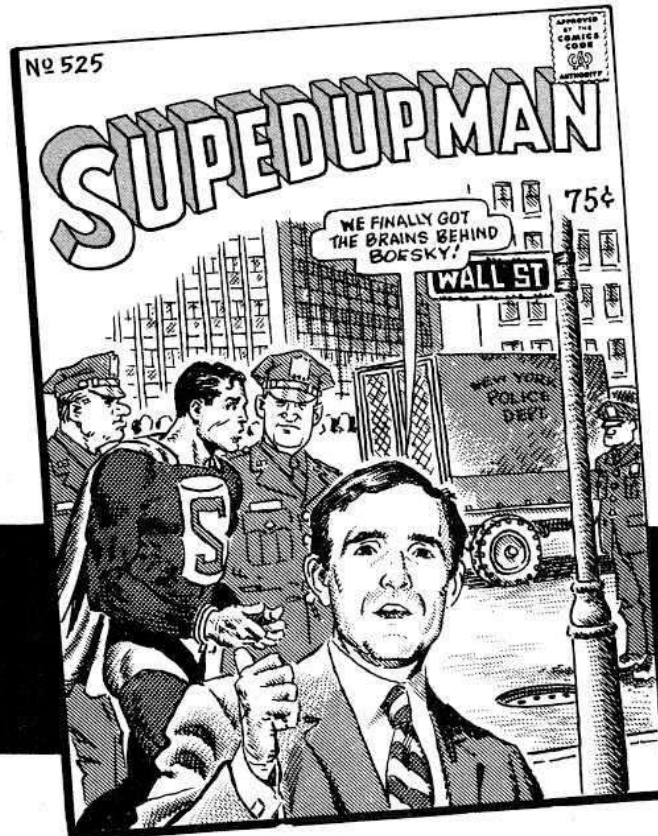

The 1980s

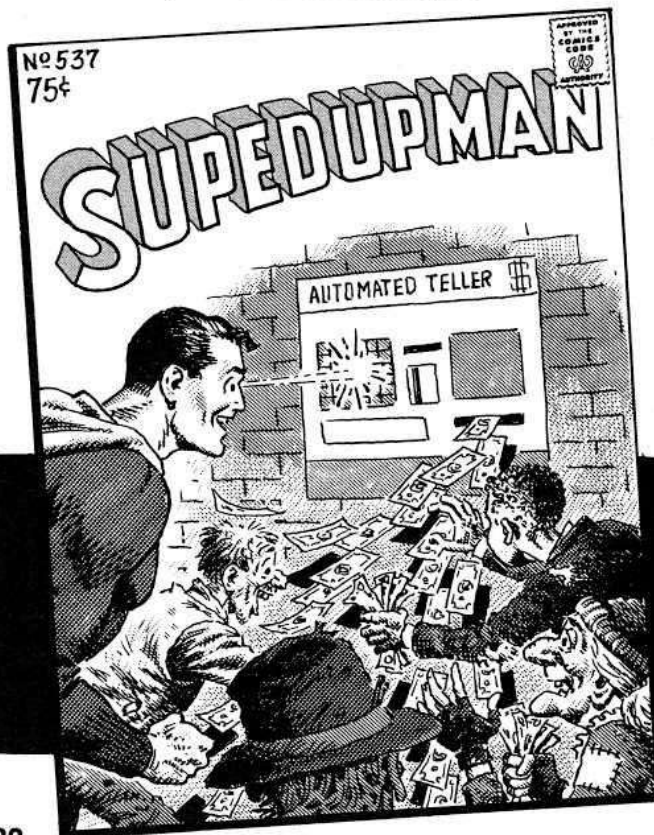

Supedupman does his bit to correct the nation's trade imbalance by dumping Japanese Toyautos as fast as they arrive!

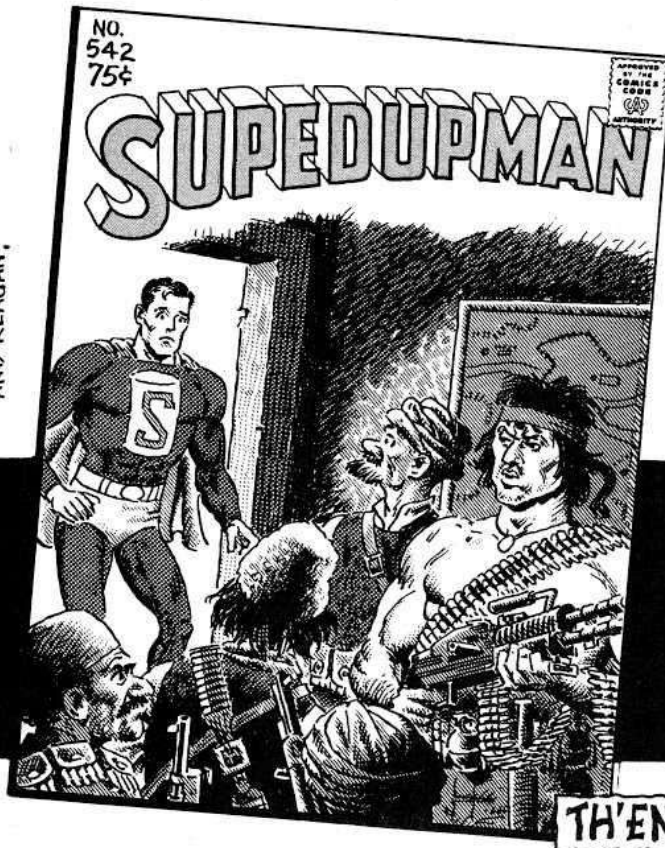

Supedupman's darkest hour: He is falsely accused of going into the future to obtain illegal insider-trading information!

SECONDPRIZE...Our NEW mission: to boldly go where only 1 TV
show, 4 movies, a cartoon series and 4,999 novels and fanzines have
gone before!**

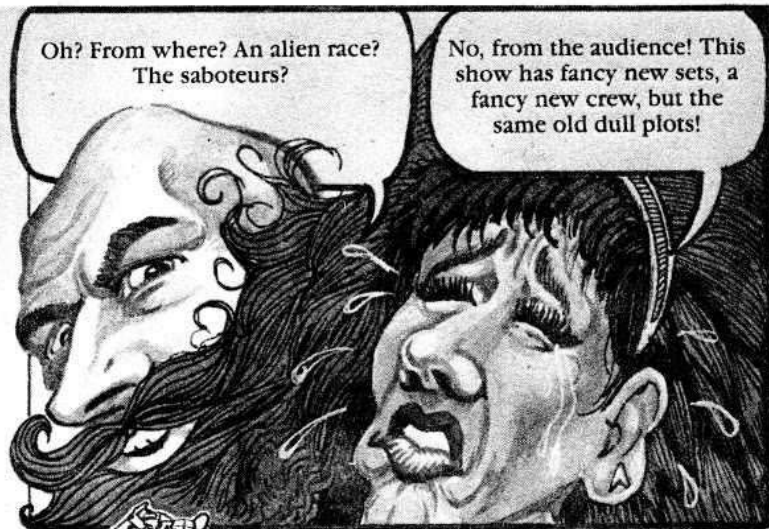

What's that loud screech? Is that the red alert, Captain? Are we under attack?

Naw, it's just the **empath** crying again!

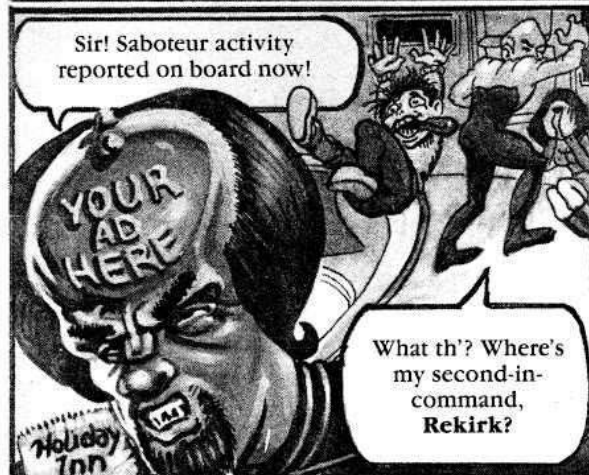

Okay, Counselor Boy Troi, what is it **this** time?

Wah! I sense the feelings of some vast presence! There's anguish! Bitter disappointment!

Oh? From where? An alien race? The saboteurs?

No, from the audience! This show has fancy new sets, a fancy new crew, but the same old dull plots!

Sir! Saboteur activity reported on board now!

What th'? Where's my second-in-command, **Rekirk**?

Here I am, captain!

Don't worry, I have the saboteurs right where I want th...Wait a sec!

Oh, no!

Halp!

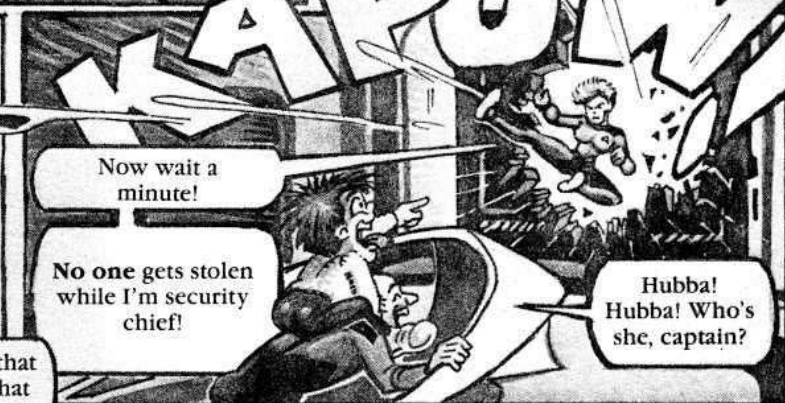

Captain! The saboteurs have stolen Commander **Rekirk**!

Well, good riddance! He reminded me too much of the old captain! I think he thought he could run this ship better than me!

Yes, I think so, too!

You mean he **could** run the ship better than me or you think he thinks he can?

Now wait a minute!

No one gets stolen while I'm security chief!

Hubba! Hubba! Who's she, captain?

That's our security chief, **Pushya Far**!

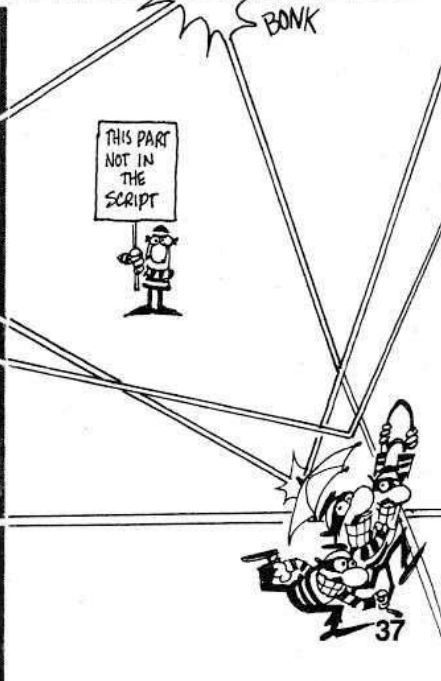

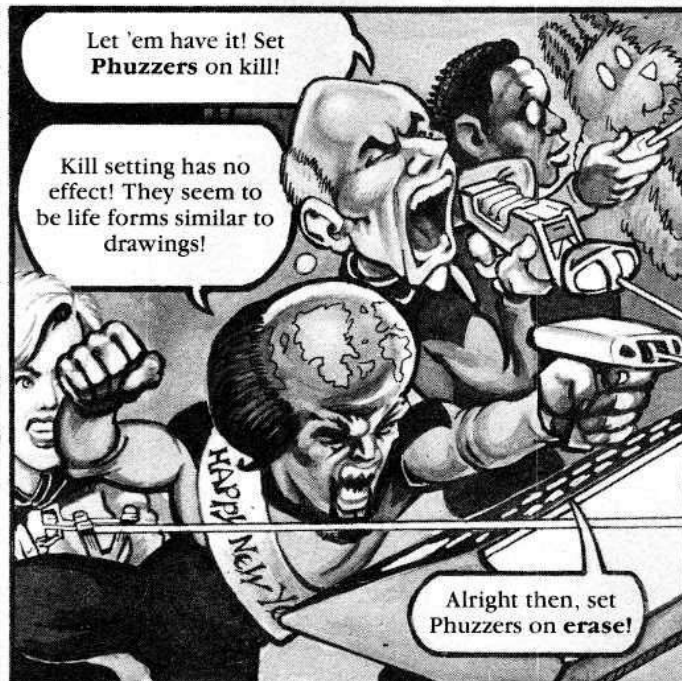

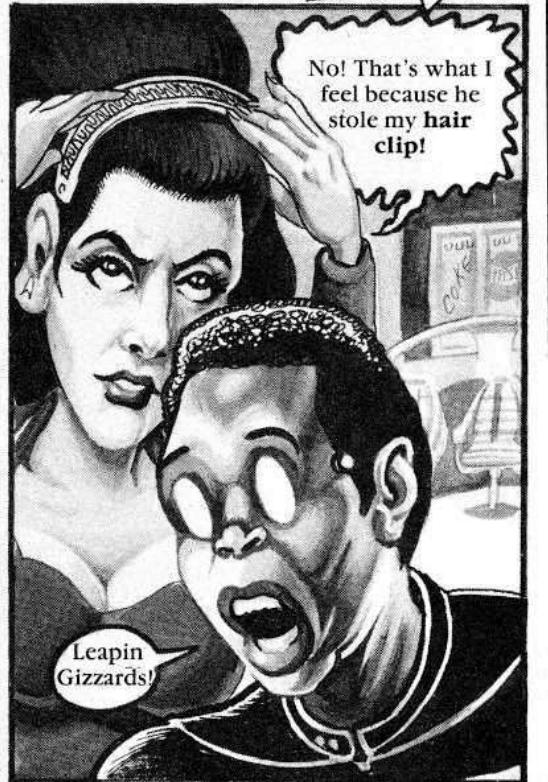

BA BING! BA BING! BA GRANDPA!

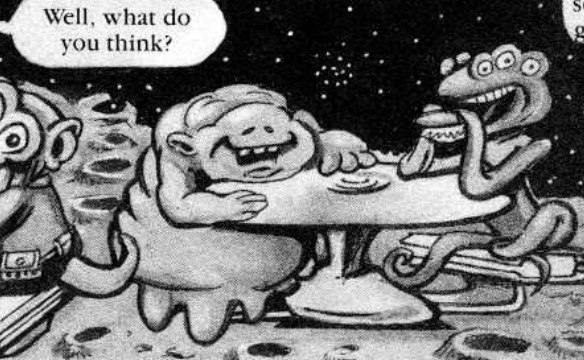

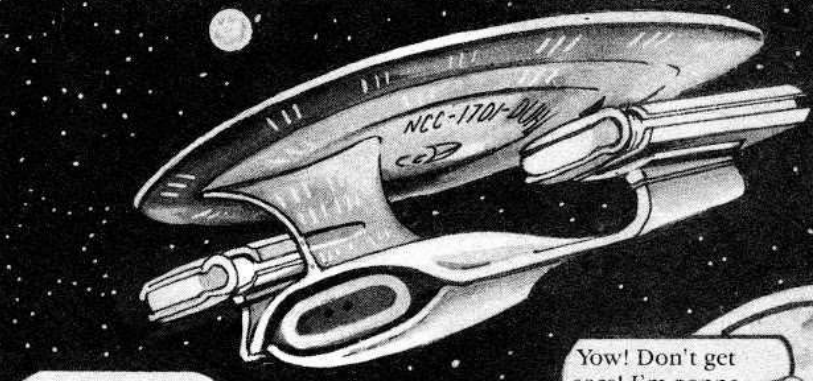

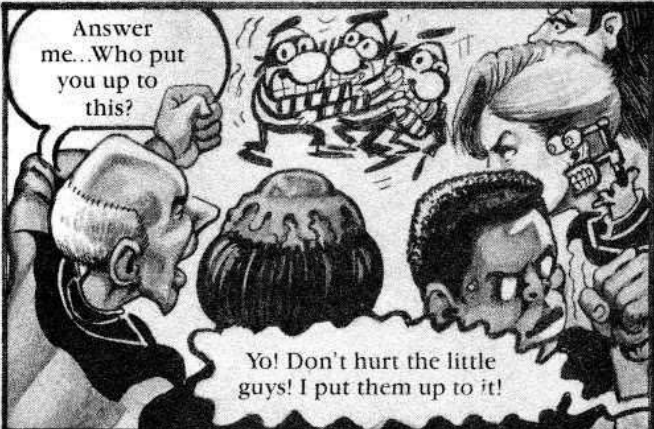

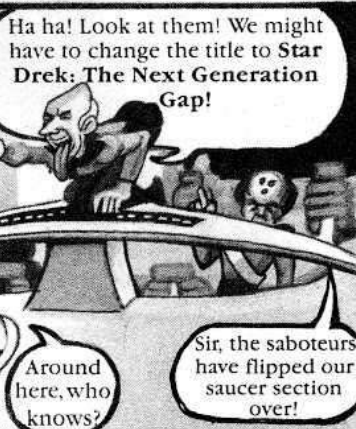

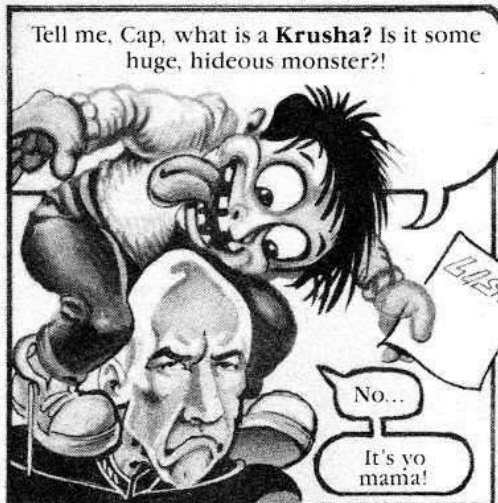

What's her rank?
LT?
PVT?
P.H.D.?

No, P.M.S.!

Wow! If she's tough enough to walk through walls, she's sure to get Commander **Rekirk** back!

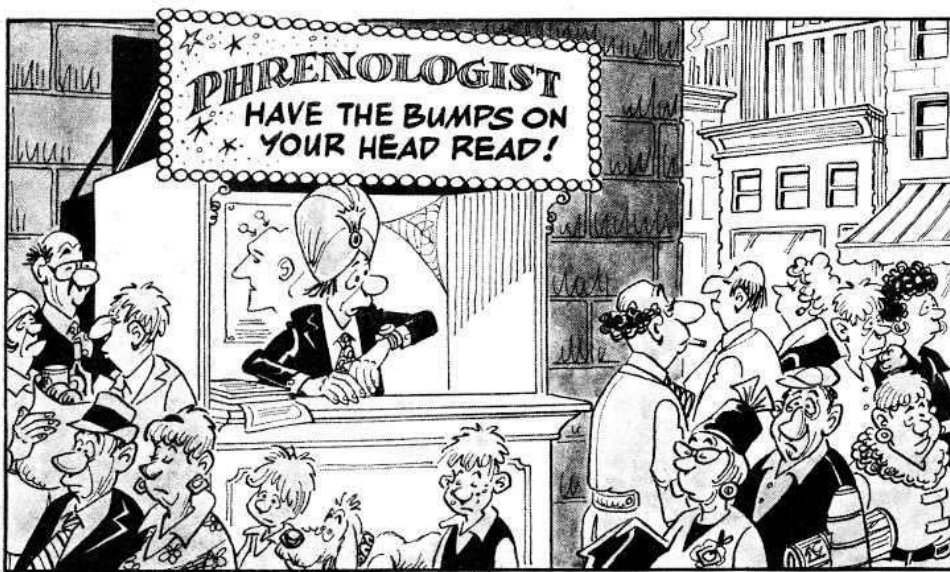

Not when she doesn't pay attention to which walls she walks through!

Howdy, y'all! It's cute, lovable, li'l ol' me, Polly Darton! (tee hee) And welcome to mah new, cute, lovable, gaudy, trashy, corny, dumb, li'l ol' show:

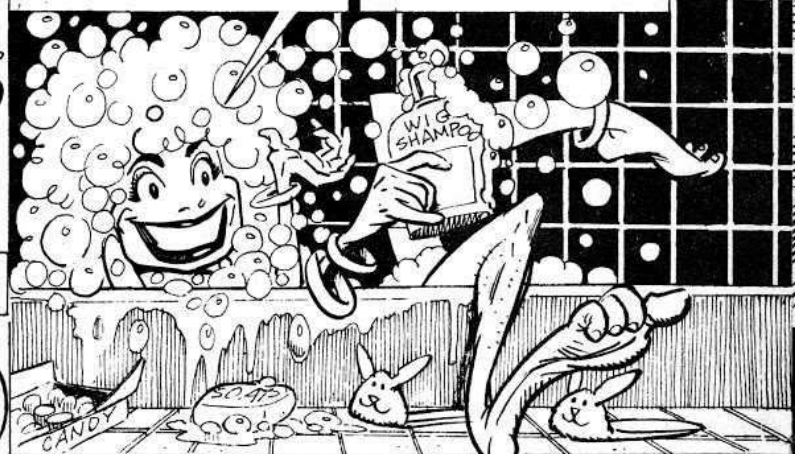

Heck, Ah ain't ashamed to admit mah show is **stupid!** That's part of mah ever-lovin' charm...Ah'm completely honest about mahself!

But lemme tell ya...Ah ain't quite as dumb as Ah seem!

Yuh see, one day Ah was wonderin' whatever happened to all those variety shows that were once so popular!

All those lousy ol' shows are gone now, but the same couch p'taters who used to watch 'em are still out there!

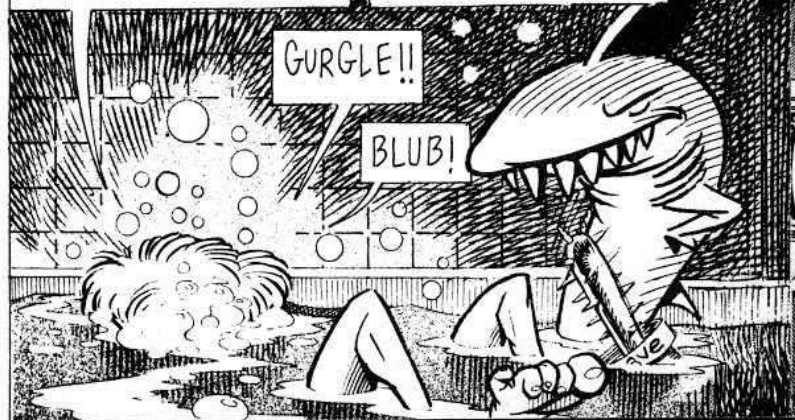

So Ah sez to mah li'l ol' self, Ah sez: Ah bet if Ah had a new show whut used that ol' format an' sang those same ol' corny songs an' tol' all th' same ol' tired jokes, why, it'd be a big **success!**

An' so far, Ah wuz **right!** (tee hee giggle)

Of course Ah realize not all of you had bad memories and remember how **awful** those shows were and so, Ah think you will hate mah show, too!

But fer those of you who find mah songs and jokes unbearable, you'll be entertained by mah un-be-leev-able physique!

Why, shoot! Bein' the honest "up-front" gal that Ah am, Ah can't deny that mah whole career was built upon my enormous talent!

An' now that Ah've gone on mah celebrated diet, mah figure is even more anatomically impossible than ever!

To tell you the truth, there's no way you'll be able to keep your mind off mah body, since Ah make references to it constantly!

...An' Ah'm always wearin' these gowns that flaunt it to th' max...like the one Ah'm wearin' now!

WELL, DING-DONG DANGS-IT! DAD-BURNED TIGHT FIT!

Ain't Ah glamorous?! Now 'xcuse me while Ah break into one of mah nauseating songs about peace, love an' understandin'!

...All men are mah brothers...Ah jus' wish they'd b'have that way...

This is th' part of th' show where Ah have a make-believe date with mah male guest star!

Why, it's Patrick Doofy of Dullas! (giggle)

Polly, I'm tired of always being a gentleman! I'd like to play a cad for a change!

Okay! Let's pretend you're a sleazeball! (tee hee)

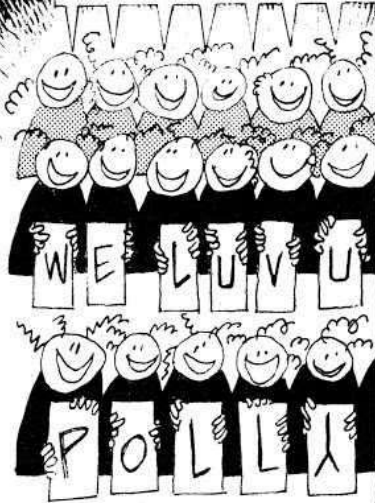

Hey! You can stop acting now!

Who's acting?!

Hi! We're the gals of PHI BETA BIMBO sorority and we're here to waste time and to show what kind of morons love POLLY!

Weren't that cute? Now it's time for me to have an informal chit-chat with mah equally overdressed guest, Patti Label!

Gee, Polly, we have so much in common! We both have the same manager, as well as the same designer!

Uh huh, and we both love wigs, plastic, food, clothing, shelter, oxygen...! It's no wonder that we both...

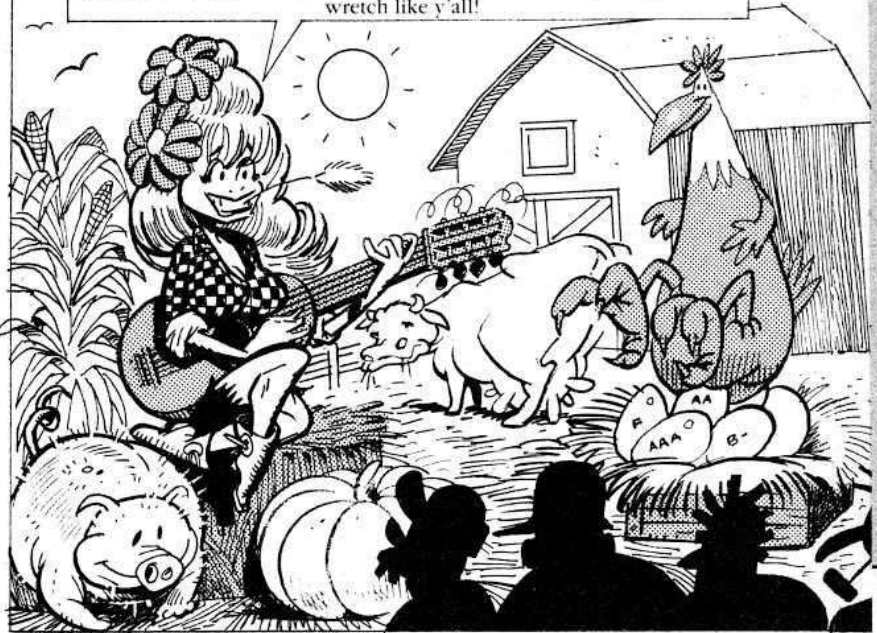

HATE EACH OTHER'S GUTS!

Get off mah show, you cheap hussy!

You no-talent tramp! Who you callin' cheap?

This is th' part o' th' show where Ah put on a simple outfit an' talk about th' "ol' days" back in Tennessee, when Ah was a poor, pathetic wretch like y'all!

This next song Ah wrote is about one of mah favorite hobbies as a teenager: The Travelling Salesman!

Mama said Poppa git out yer shotgun, Polly's at it ag'in...

Hi! We're the crew of the 577th Fleet and when we're not blowing up things in the Middle East, we're gettin' hot over pics of Polly Darton!

Hi! I'm some cute li'l kid who was instructed by my parents to say, "I wuv Polly!" but I don't know who the @#%\$& Polly is!

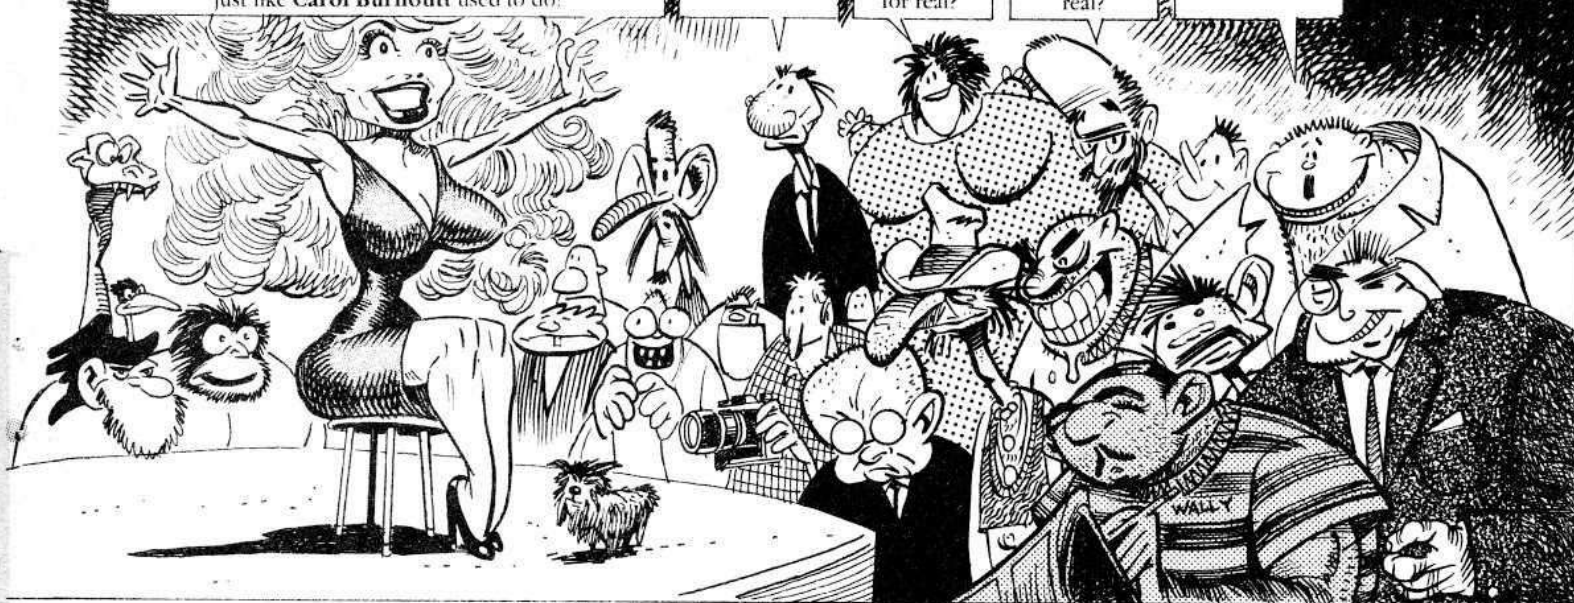

An' now it's mah favorite part of th' show where Ah answer totally **unprepared** questions from the audience, just like **Carol Burnout** used to do!

Is your big hair for real?

Are your fingernails for real?

Are those eyelashes for real?

Are you for real?

Aw, shucks, folks! Ah admit that 95% o' me is fake!

In fact, the most amazing thing about me that isn't fake is, well, you guessed it...

...mah popularity!

An' now fer mah gran' finale Ah'm a-gonna do mah big gospel number...

Hold it, Polly! You're being replaced!

Replaced?! How? I th'ot **everybody** loved me!

They do, but they've found someone even more trashier, gaudier, and more sentimental...

...More deeply religious, sings cornier songs. In short, someone who has much more **white trash** appeal than even you!

Impossible! Who is she?

Tammy Baye Fakker!

Thank you! Thank you all! I love you! (sob choke)

Hey! What about me?!

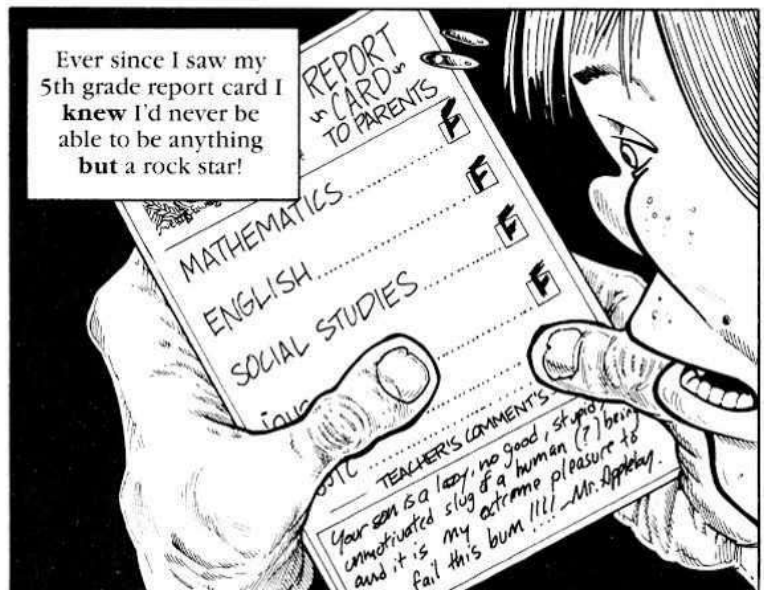

Y'ever notice how most people never say what they mean? Look at politicians, f'rinstance, or even school teachers! There is, however, one breed of creature that can never tell it straight and the following reveals how to read between the lines when...

Since you're a TV star from up there...

Up where? You mean the attic?

No! Outer Space! I've always wondered... What's Pluto like?

Alpo, I think, but you better check with Mickey Mouse just to make sure!

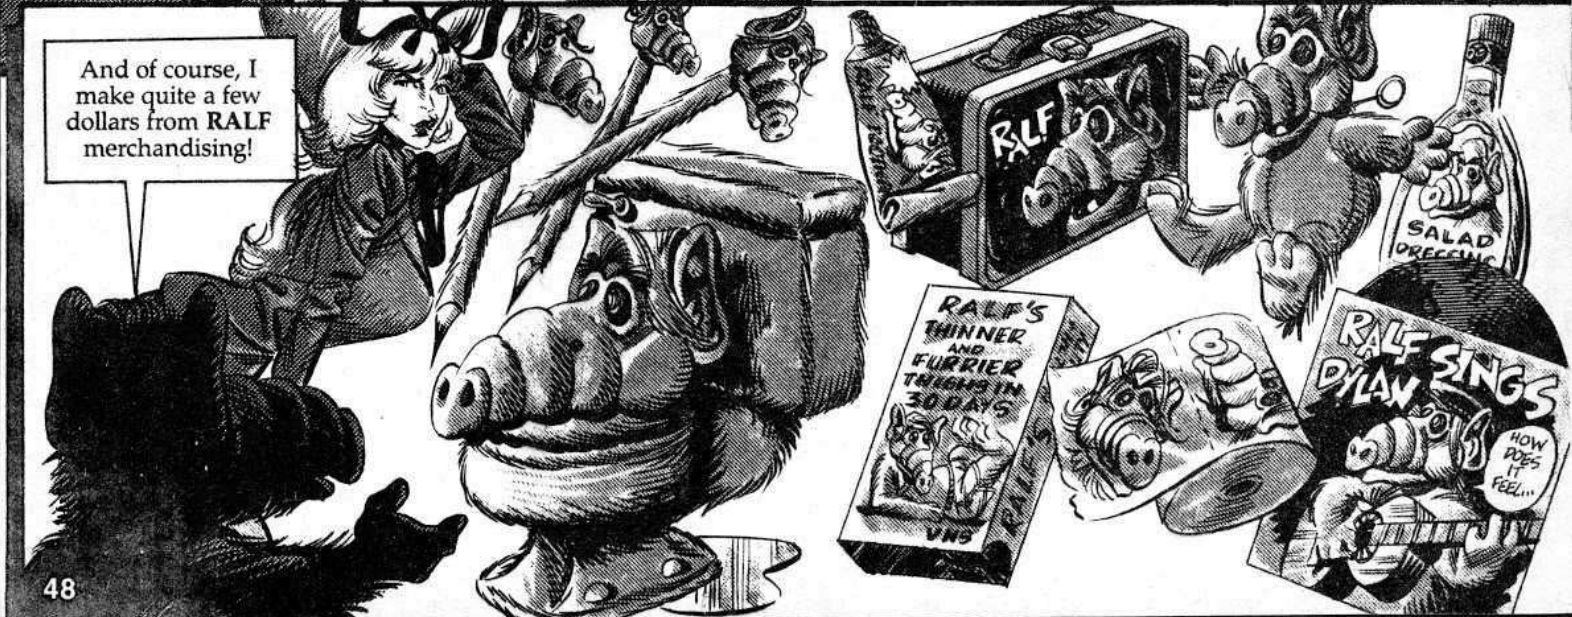

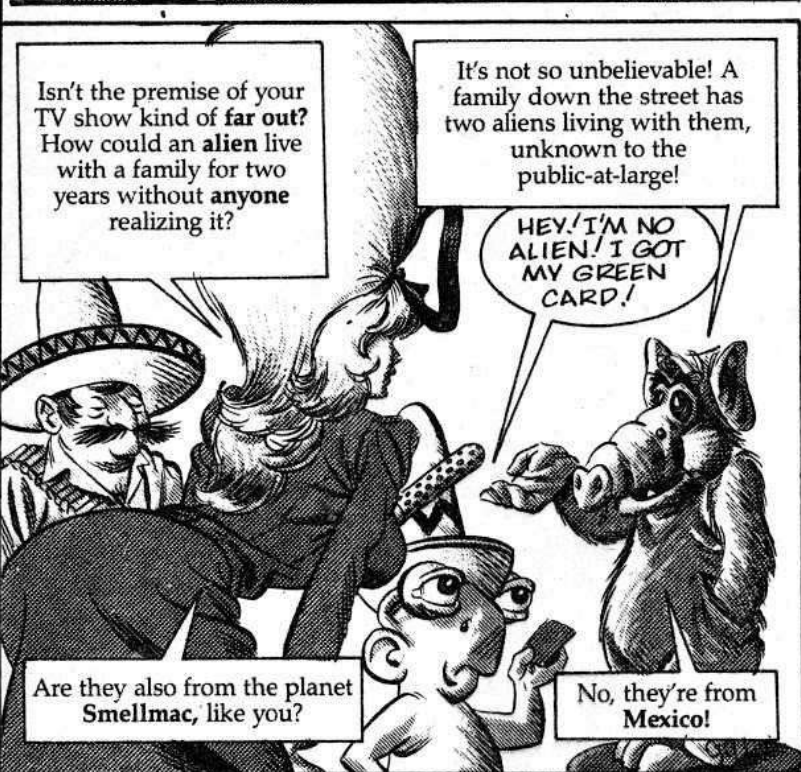

I was warned that you liked cracking jokes!

It's better than cracking backs...unless you're a chiropractor!

I'd like to ask you some questions about your career and TV show...

FOAM AWAY RUG SHAMPOO

I've heard you have a Saturday morning cartoon show. How does it differ from your regular series?

Besides being set on my home planet, the characters in the cartoon are much more animated than the ones on the live action show!

You've done many guest spots on TV shows. Are there any other stars you'd like to work with?

Yeah, Morris the Cat!

Would you like to join him for dinner in a commercial?

No, I'd like to have him for dinner in a commercial!

Not too many celebrities are as short as you... Do you think you'll grow another foot or two?

I hope not! It'd make it awfully hard to buy shoes!

HEY, WATCH IT, SHORTY!!

Excuse me while I slip into something more comfortable!

But all your outfits look the same!

Shows what you know about fashion! My outfit is wool and the one I'm getting into is polyester...much cooler!

It's weird that something wearing fur is living in a mansion and making more than the President!

Are you talking about Zsa Zsa Gabor?

Go on! At least when Zsa Zsa takes off her fur coat there's a fleshy figure beneath!

Like I said, we're a lot alike! And until Steven Schpielberg makes XT II, I'll be on this TV show!

No, you!

Hey! We're a lot alike!

You just **sit tight** while I change yer oil, clean the windshield and check under the hood!

Hurry up! This is a race, stupid!

Let's try this shot with the spotlight more intense and a bit closer!

Hurry up and shoot this scene before I melt!

This canvas is representative of Picasso's "blue period" during which the artist was often depressed!

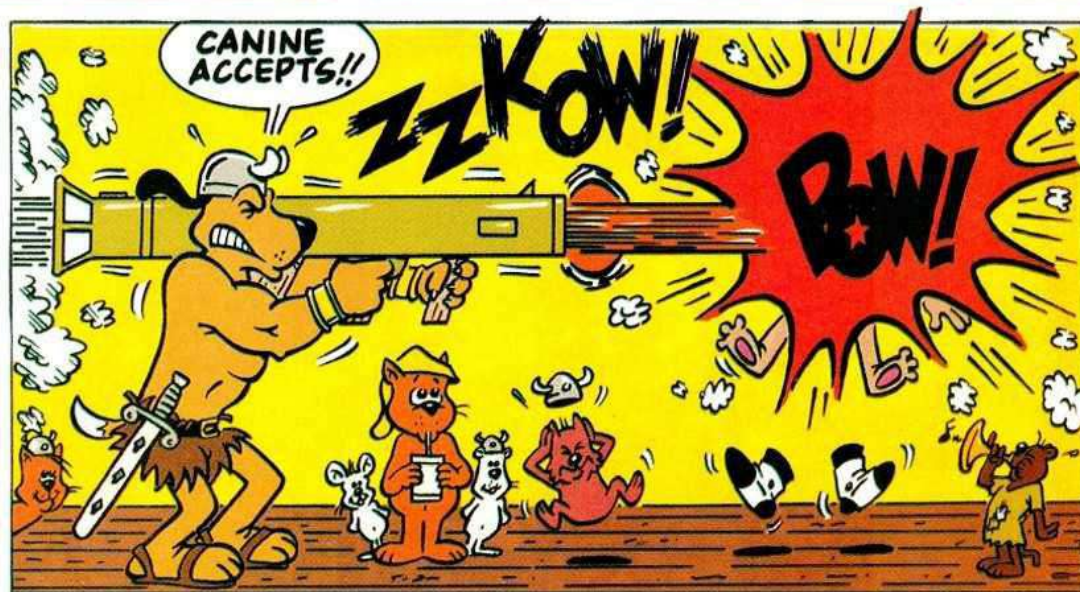

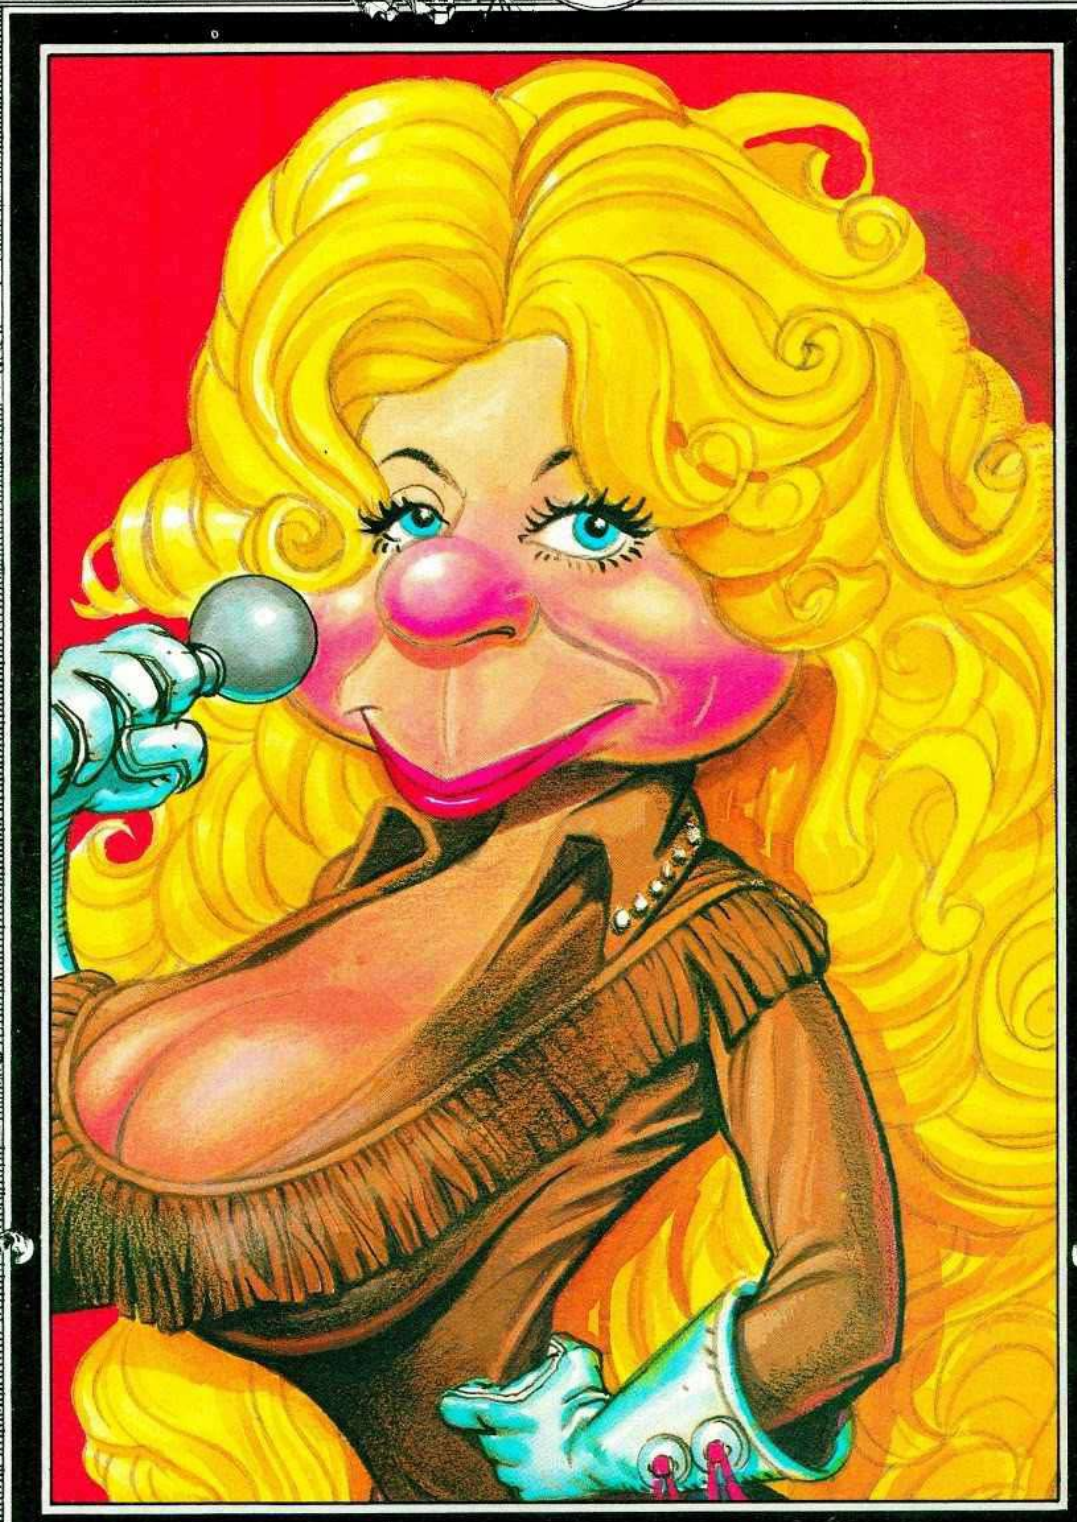

Hurry up and let's nab the rest of the paintings before we're caught!
